Limited Power of Attorney for Eligible Motor Vehicle Transactions

Instructions

All sections of this form must be properly completed in black or blue ink in order for this to be an acceptable document. The signature must be in black or blue ink. No alterations are allowed on the form. This completed and signed form grants the grantee (or anyone the grantee may substitute) full power and authority to do and perform all and every act necessary to purchase, transfer, and assign the legal title to the motor vehicle described on behalf of the grantor.

This power of attorney cannot be used in a dealer transaction to complete a title assignment on a motor vehicle subject to federal odometer disclosure. Federal law specifies a motor vehicle is subject to odometer disclosure if it is self-propelled, less than 10 years old, and has a gross vehicle weight of 16,000 pounds or less. In compliance with federal law, you must use the secure *Power of Attorney for Transfer of Ownership to a Motor Vehicle, Form VTR-271-A*, when use of a power of attorney is permitted by the applicable regulations for a vehicle subject to federal odometer disclosure.

If a power of attorney is used to apply for title, initial registration, or a certified copy of title, the grantor (person signing this form) and the grantee (person signing the application) must include a photocopy of their photo identification, as required by state law.
